OPEN HOUSE

Dear Jeff,

This is a personal invitation to you and your families to attend an open house February 11th at our post home, 627 East College Street from 1 p.m. to 4 p.m.

In March of 2017, we began a campaign to replace the windows and roof of our post home. When we looked into the cost we thought only a miracle would get this done. So we put our faith in God and after six months we met our goal. We were not sure what kind of windows we wanted to replace the original ones with but we knew we needed windows that would keep out the cold in the winter and keep the cool air inside during the summer. We wanted a contractor who knew what we wanted and was an honest man and a man of integrity. We contacted you Jeff and the rest is history.

The windows have been replaced and we thank you for a job well done.

Because of what you have done for our us, our American Legion Post which was built in 1967 by WWII, Korean and Vietnam Veterans will now be able to continue what it has done for the past 51 years, to be used as a shelter in times of emergency, blood drives, celebrations and many more functions.

Please mark your calendar so you can see what you have helped accomplish. We look forward to seeing you.

Again, thank you!

Ron Leininger
